WORK HISTORY

Contract Animation and Game Design Teacher   2017 - Present
Creative Career Academy - Roswell, GA
    • Teach kids from age eight to college using Maya, Adobe Animate, and Unity.
    • Manage free advertising for the company
    • Helped multiple students win awards in 3D animation and 3D modeling

Freelance Front End Designer   2023 - Present
Autorye LLC - Remote
    • Worked collaboratively to create SeedMyGarden, a site that guides gardeners every step of the way.
    • Handled the front end of the main menu, part of the home page, and the AddSeed page.
    • Set up a search and filter function using Django and Python to handle database requests.
